**Important Notes:**

1. These plans allow students two semesters to complete Freshman English and Applied Calculus. Students who place into the second of these courses will have additional elective options. Students who need developmental courses to reach these basic levels of English and calculus may need to supplement their coursework in summer school.
2. The University of Maryland has a website that shows UM course equivalencies for transfer courses. For more information or to evaluate a transfer course please visit the UM Transfer Credit Center at [www.tce.umd.edu](http://www.tce.umd.edu). Use the "transfer course look-up" button and follow the directions.
3. University of Maryland CORE (general education) requirements are explained at: [www.inform.umd.edu/GenEd](http://www.inform.umd.edu/GenEd)
4. For more information about applying to the Smith School Undergraduate Program located at the USM, Shady Grove Center please go to: [www.rhsmith.umd.edu/undergrad/ShadyGrove.htm](http://www.rhsmith.umd.edu/undergrad/ShadyGrove.htm)
